

DEMONSTRATION AGREEMENT

This agreement between Osmonics, Inc., 5951 Clearwater Drive, Minnetonka, MN 55343 and _____ (the User) is intended for the mutual benefit of both companies to demonstrate Osmonics cell culture system. Both parties agree to the following terms and conditions:

Osmonics will install its cell culture system for its use for a three (3) month period. The system includes the instrumentation to operate a cell culture bioreactor, consisting of a controller, circulation pump, media pump and oxygenator, and the start-up kit. Osmonics will provide training and ongoing consultation. The parties agree that the cell culture instrument is the property of Osmonics and is to be returned at the completion of this agreement.

_____ agrees to use the system in its cell culture operations and provide feedback on the system's productivity, ease of use and applicability to its cell culture needs. Non-proprietary cell culture data will be shared with Osmonics for potential use in technical data sheets or publications. The user agrees to take appropriate care of the system and return it to Osmonics without damage. The user will provide appropriate personnel and the necessary supplies (i.e. media, oxygen, carbon dioxide, and Osmonics cell culture bioreactor) as needed to operate the system.
